Profile

We PERK remain committed to Strength and Reliability; Technology and Elegance; Innovation and Durability.

Brass Material

Our products are characterized by the use of finest quality of raw materials. The brass metal used for casting, forging and mechanical operations contains a very low percentage of lead in compliance.

Chrome Plating

The quality of the coating surfaces is very important to guarantee the working life of the product. In order to obtain a perfect result all galvanic processes are completely carried out inside the manufacturing unit, using modern technologies being continuously updated.

Painting

The painting treatments are carried out using good quality material giving the products an excellent endurance against scratches, humidity, aggressive environmental conditions and UV rays.

Packaging

The packaging is carefully prepared to protect the product and guarantee the integrity and the esthetical quality up to the installation, above all in order to prevent damages during transportation.

Quality and customer satisfaction

Behind our success lies the backing and strength of our highly qualified and extremely competent team who have rich experience in their respective fields, be it marketing or manufacturing. **Perk** constantly strive to introduce the most innovative and latest designs that suit Indian conditions and yet carry an international appeal.

QUALITY Exclusive and stylish range of Bath Accessories seeks to re-engineer the way Bath Accessories are designed. The superb finish and styling leaves nothing more to be desired. **Perk** have a very flexible and ever increasing range of Bath Accessories, that is made to suit customer's requirement and match the current market demands. All our efforts and years of experience to develop original product lines aimed at satisfying the needs of urban & demanding clients.

Our urge is to reach our every customer before and after sale service with the best product and with the competitive prices, & give our customer the best, strives us to constantly innovate new products. **Perk** make sure that every product leaving our factory arrives in excellent condition precisely when and where it is. We look forward to join hands with you to cater all your needs of Bathroom Accessories either individual or in bulk.
